MAKE ROOM FOR YOUR FAMILY.

If your nearest and dearest are always on the move, full of interests and commitments, the New E-Doblò is just what you need. Thanks to its flexible space, technology, safety and powerfull electric engine, the New E-Doblò can satisfy everyone. Pets included.

THE RIGHT CHARGE TO GET ANYWHERE.

ZERO CO₂ EMISSIONS

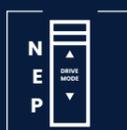

The New E-Doblò is all-electric: the 100 kW engine offers you up to 285 km* of max autonomy, and a top speed of 130 km/h. The 50 kWh battery can reach up to 80% of charge in approximately 30 minutes on fast charge.

*WLTP range, July 2022

A NEW CONCEPT OF MOBILITY

DRIVING MODES

Optimize vehicle performance according to your needs. In the new Fiat Doblò you have 3 ways to manage vehicle performance and consumption: normal, eco and power.

GEARBOX CONTROL WITH E-TOGGLE

For a simple, efficient and smooth driving experience a control switch is available with 4 functions: Parking, Reverse, Neutral, Drive. Furthermore, pressing the « B » button activates Brake mode which allows for regenerative braking which increases battery range.

**FAST CHARGING (DC) 100KW
PUBLIC CHARGE/WALLBOX (AC) 7,4 - 11 KW**

The New Fiat Professional Doblò has a charging system that includes standard solutions such as the cable supplied or, on request, the Wallbox for fast charging.

PROVIDING EFFICIENCY

The 100 kW engine offers you more than 285 km* of max autonomy, and a top speed of 130 km/h. The 50 kWh battery can reach up to 80% of charge in approximately 30 minutes on fast charge mode.

FIAT NEW E-DOBLÒ

ALL THE CREATIVE SPACE YOU NEED.

STYLISH BUT FUNCTIONAL

The entire space was tailored to your requirements. Versatile and modular, the new E-Doblò is the vehicle top of its category that offers different seating and space configurations.

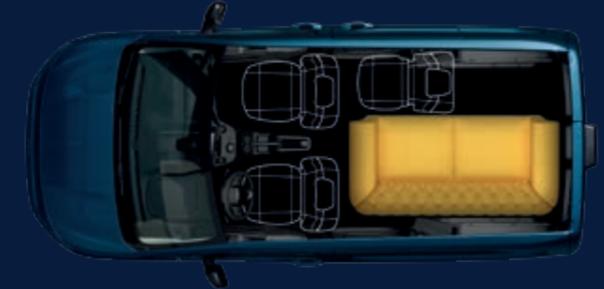

SPACE AND STYLE

Inside the new E-Doblò, every bit of space is useful: 3 standard independent rear seats in the second row that can be folded down individually to increase load flexibility and modularity. Here's everything you can do.

Transporting bulky items like a bookcase and large boxes.

Picking up a sofa with two strong friends.

Helping your daughter move into her new flat.

Organizing a family outing with the brand new bikes.

Loading up a newly bought sofa and bookcase.

Taking a trip with all five of you, enjoying the full comfort of an individual seat.

EVERYTHING UNDER CONTROL.

HEAD-UP DISPLAY

The main data and useful information for driving are shown in color on the head-up display without ever having to take your eyes off the road.
